## **DETAILED ACTION**

### *Election/Restrictions*

Claims 1 and 11 are linking claims directed to an allowable product and process, respectively. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 12 and 13, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claims 12 and 13 hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement mailed on February 5, 2003, is hereby withdrawn.

### *Allowable Subject Matter*

Claims 1-5 and 7-17 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest, either singularly or in combination, at least a non-rectangular array of control elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
